

TREKANTOMRÅDETS FESTUGE

23 AUGUST - 1 SEPTEMBER

500 EVENTS / 10 DAYS / 7 MUNICIPALITIES

For the seventh year, the seven municipalities in the Triangle Region celebrate local culture with more than 500 events within art, literature, theatre, music, food and play. Trekantområdets Festuge is a cooperation between the Triangle Region, municipalities Billund, Vejle, Kolding, Fredericia, Vejen, Middelfart and Haderslev, local institutions, private organisers and dedicated volunteers.

During the 10 days, the municipalities will be buzzing, when famous jazz-, pop- and rock artists, street artists and actors, writers, gastronomic talents and creative artists give you their best performances.

You can read more at www.trekantfest.dk. The website is in Danish, but by clicking 'translate' in the top-right corner you can choose language, and see events descriptions and our programme in English. In addition, you can easily mark your favourites and create your personal programme.

MUSIC

'Jazz i Trekanten' will offer a range of classical, innovative and joyful jazz concerts in all seven municipalities. This years programme has more than 120 concerts with artists from all around the world. Here is a small sneak peak from each municipality:

Experience music on the fiord or dam. Floating concerts with upcoming international artists. DUCKS! (pictured), Banglist and McMillan & Snow will give you an unforgettable and intimate musical experience.

- » Vejle 24 august
- » Kolding 25 august
- » Haderslev 29 august

DIODON

DIODON is a mysterious creature that emerges in Trekantområdets Festuge. It inflates when there is a good atmosphere. DIODON lives by peoples presence – around it and inside it. When the party is over, it deflates and disappears. DIODON is created by DOSIS – a creative lab in Spain.

Several concerts will take place in DIODON – from jazz to pop. You can find it in:

- » Kolding 23, 24, 25 august
- » Haderslev 28 august
- » Fredericia 29 august
- » Middelfart 30 august
- » Vejen 1 september

ART

In each municipality, you will find an art zone during the festival, which will function as centre of a variety of art events. Come visit the art zones to find creativity, workshops and unique experiences.

GRINDSTED

'Grindsted goes graffiti' includes a number of artists, such as the Danish street artist Peter Birk, who will decorate walls and gables with spectacular motives. Drop by workshops accompanied by rap and underground music.

VEJEN

An Icelandic scenery moves into the Danish landscape with the art installation 'A tourist in the Landscape'. The installation, which is a narrative of Nordic nature, is a cooperation between Studio Fræ and Ny Dansk Bølge.

VEJLE

The main character in art zone Vejle will be moving around the streets. It goes by the name 'Pingball' and is a huge sculpture made for play. It is controlled by the artists from On/Off who will move it around with help from citizens and visitors from 28-30 august.

FREDERICIA

Kanalbyen is the art zone in Fredericia. Visual artist Katrine Würtz Hansen and architect Ina Hjorth Jacobsen from Vontrapp has created an installation with the title 'Havet er så blå som øjet ser' [The Sea is as blue as the eye sees]. The sea and the many pylons will lead the guests around the neighbourhood. Additionally you can experience interactive walking performances on 25 and 30 august.

HADERSLEV

The town square Gravene is the art zone in Haderslev. On 24 august you can meet the duo Jens & Morten who will open a white gallery and equip their guests with water guns and balloons filled with paint. You can also experience Grill Tennis – a mix of tennis, ping-pong and barbeques, that will definitely bring joy.

KOLDING

The artist Maria Viftrup is the main character of art zone Kolding. Her installation 'Spild af Vores Tid?' [Waste of our time?] in Biblioteksparken will create a dialogue about waste. The guests will sort waste products by aesthetic criteria as colour, shape, material etc.

MIDDELFART

You can find the art zone in Teglgårdsparken on 1 september, during 'Sindsyg God Søndag'. Kids and adults can relax in sensory tents created by Berit Bærentsen. Additionally, sound artist Jana Debrodt will create a number of interactive installations, including a musical staircase with harmonies.

FOR KIDS
